The murder of Elizabeth Chanthunya sent shockwaves through Malawi. The country had never seen a crime of this magnitude before, and the public was outraged. The police launched a full-scale investigation, but the case quickly went cold. The killer seemed to have vanished without a trace.

Years later, a young journalist named Kondwani Munthali decided to take on the cold case. He was determined to find the truth about what happened

to Elizabeth Chanthunya, and he was convinced that the killer was still out there.

Kondwani Munthali's investigation into the murder of Elizabeth Chanthunya took him down a dark and dangerous path. He uncovered a web of corruption, lies, and deceit that reached the highest levels of Malawian society. He also discovered that the killer was not who everyone thought he was.

Kondwani Munthali's book, *Based On True Life Murder Crime In Malawi*, is a gripping and unsettling account of his investigation into the murder of Elizabeth Chanthunya. The book is a must-read for anyone who is interested in true crime, and it offers a chilling glimpse into the dark side of human nature.

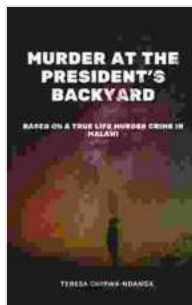

Based On True Life Murder Crime In Malawi is available now from all major booksellers.
