This book is a guide to help communities renew and sustain themselves. It provides practical advice on how to engage citizens, build consensus, and create a shared vision for the future.

The book is divided into three parts. Part One provides an overview of the challenges facing communities today and the need for renewal. Part Two offers a step-by-step guide to community renewal, including how to:

- Engage citizens
- Build consensus
- Create a shared vision
- Develop a plan for action

- Implement the plan

Part Three of the book provides case studies of communities that have successfully renewed themselves. These case studies provide inspiration and guidance for communities that are looking to renew themselves.

This book is an essential resource for community leaders, activists, and anyone who is interested in helping to create a better future for their community.
