

Reclaim Your Life: How Recovered And You Can Too

Are you struggling with addiction? Do you feel like you've lost control of your life? If so, you're not alone. Millions of people around the world are battling addiction, and it can be a devastating disease. But there is hope. Recovery is possible, and this book can help you get started on the path to a healthier, happier life.

In *How Recovered And You Can Too*, author [author's name] shares his personal story of addiction and recovery. He writes about the struggles he faced, the mistakes he made, and the lessons he learned along the way. He also provides practical advice and support for anyone who is trying to recover from addiction.

He is passionate about helping others recover from addiction, and he has dedicated his life to sharing his story and helping others find hope.

STROKE symptoms

REMEMBER, RECOGNIZE & ACT FAST

The infographic is divided into four columns, each representing a letter of the acronym FAST. Each column features an illustration of a person demonstrating a symptom, a large red square with a white letter, the full name of the symptom, and a brief instruction. The background is dark blue at the top and bottom, with a light green and white middle section.

F	A	S	T
FACE	ARM	SPEECH	TIME
Ask them to smile. Does one side look like it's drooping?	Instruct them to raise both arms. Does one arm drift downward?	Ask them to say something. Does it sound strange?	If you observe symptoms, call 911 immediately.
