Kindle eBook: Kindle eBooks are a popular choice for readers who enjoy reading on their e-readers or mobile devices. eBooks are typically more affordable and convenient than their physical counterparts, and they can be easily distributed and promoted worldwide.

Paperback: Paperbacks are traditional physical books that are printed and bound with a cover. Paperbacks offer a tangible and immersive reading experience that some readers prefer to digital formats. They can also be sold through physical bookstores and other channels.

You can choose to publish your book in one or both formats, depending on your target audience and preferences. For a wider reach, consider publishing in both formats.
